Kusumi Lab
3F 311 075-751-4112

Looking from ① toward north (you could tell east by finding the closest mountains). The building in which Kusumi lab is located is on the right side after you pass the overbridge.

Looking at the building this way, you will find a small entrance that is closest to our lab (there is a small sign of "Institute for Frontier Medical Sciences"). Right after you enter the building, you will find a stairway on your left. Climb up to the third floor. We are located right there in Room 311.
